Companions,

At our May meeting we discussed the MOWW Region VIII Spring Conference 2022. Several Chapter Companions received

significant awards at this event (see page 3). I'd like to personally thank BG T.L. Holden USAF (Ret) for his service and support staffing the registration desk at this event.

My takeaway from the Spring Conference is that MOWW is actively discussing and planning ways to modernize the organization. Modernization and Operational changes will be the main focus of the upcoming August National Convention in Jacksonville, FL. As your Commander, I will be representing you as a voting delegate at this Convention. At the convention, there will be critical discussions concerning "Branding" (who we are and what we do), IRS non-profit options (today we are 74.8% veteran), websites and social media, new outreach programs, re-evaluation of Strategic Plan, and amendments to MOWW Constitution and Bylaws.

For the June meeting we will need to discuss the planning and execution needs to support the YLC we sponsor , Texas A&M University (TAMU), as well as those we support. This is an opportunity for our members to see where and what the

donations do for the students. I'd like companions to consider actively (and physically) participating at the TAMU location.

Our ongoing YLC fundraising activities are EXCEPTIONAL! See page 4 of this Newsletter to meet our newest significant Donor - North Texas Wealth Management (ntxwealth.com). Their willingness to help support us to reach our YLC goal in 2022 is AMAZING!

Our Chapter is in the process of reaching out to 16 High Schools and One University (University of North Texas) to support their ROTC programs. These schools are within the North Texas Counties of Denton, Collin, Rockwall and Hunt. Rockwall County is actively pursuing the establishment of J/ ROTC programs at their High Schools.

Our Chapter is putting forward the paperwork to support several MOWW National recognition awards for 2022 — Patriotic Education Program (ala YLC), ROTC/JROTC Programs, Information and Publicity Program , National Security Program , and Best Newsletter. We will be competing as a Small Chapter. I am hopeful that we will get the well deserved recognition for the Chapter's hard work. See you on the 21st of June!

Very Respectfully,

Jacques Loraine, Commander

Meet our New Chaplain

LTC Robert “Bob” F. Welch II USA (Ret)

Hello Companions,

My name is Robert F Welch II but go by Bob. It is my pleasure to have been asked by Jacques to become the Chapter Chaplain.

I will give you my background so you can get to know me.

I was Texas born but Oklahoma raised, graduated and commissioned out of Oklahoma State University 1976 and immediately on Active Duty as an Army Infantry Officer. Tours with the 2nd Armored Division and 2nd Infantry as well as school assignments and command of a One Station Unit Training company at Ft Benning lead to my secondary assignment as a Procurement Officer at Tobyhanna Army Depot, PA. Left Active Duty after 11 years and spent the next 17 years in the Reserves first as an Artillery Training Battalion S-3 and XO and transitioned as a Lieutenant Colonel into the Emergency Preparedness Liaison Officer system working first in the Texas State Area Command and

then to FEMA Region VI where I retired after 28 years in Jan 2005.

My civilian career had me working with EDS using my procurement experience, teaching middle school special education and as education coordinator and later curator of the Frontiers of Flight Museum earning my Masters Degree.

I am married (Barbara) with a daughter and her family (husband, 2 girls and a little boy) and my son’s surviving family of a daughter-in-law and two boys and her extended family of a stepdaughter and son. I have lived in Wylie since 1989 and am active in my church, Central Christian of Richardson, my American Legion post (as chaplain also) and several hobby groups.

This pretty well covers me except that Christ has been the center post of my life for many years and I just hope that I can help everyone gain peace by my efforts.

Chaplain's Corner — Make Everyday Memorial Day

And this day shall be unto you for a memorial; and ye shall keep it a feast to the Lord throughout your generations... Exodus 12:14

Memorial Day is a day that is set aside to remember, and honor, our brave soldiers who have given their lives to protect our land and keep us free. It began as a day to honor our Civil War dead, but after World War I, it was expanded to include our war dead from all the wars in which America was involved. Go to <http://www.usmemorialday.org/> for more information.

According to <http://www.historycentral.com/wars.html>, our country has fought in 12 wars (not counting the Afghanistan War which brings the updated total to 13.) In every one of these cases, we have asked the young people of our nation to be willing to give their lives in the name of freedom (for us and others in foreign lands.) The sacrifices these young men and women have made can never be totally comprehended nor can they be repaid by us.

Just stop and think about a little of what these wonderful young people have given up for us. At the very least, they have given years of their life, time away from their families, to serve their country which they love. They have given us any chance of setting down "roots", having to move from base to base once every 3 to 4 years. Many will be physically disabled the rest of their life, having the use of one or more of their limbs taken from them. Scores have been mentally disabled resulting in them being

unable to handle day to day living. And thousands upon thousands have given the ultimate sacrifice, their life, so that we can continue to enjoy our lives living safely in a land of freedom.

We can never begin to understand what they went through, and are continuing to go through, all because they love their nation and the freedoms we take for granted everyday. We can never begin to repay them and their families for the sacrifices they have made for us. It seems as if saying

"Thank You" just isn't enough. Through prayer, we need to make "Memorial Day" everyday.

THE SCRIPTURE:

This is my commandment, That ye love one another, as I have loved you. Greater love hath no man than this, that a man lay down his life for his friends. Ye are my friends, if ye do whatsoever I command you.

(John 15:12-14)

Historical US Military Events

June 6, 1944 - D-Day, the largest amphibious landing in history, began in the early-morning hours as Allied forces landed in Normandy on the northern coast of France.

June 14, 1775 - The first U.S. Military service, the Continental Army consisting of six companies of riflemen, was established by the Second Continental Congress.

June 24, 1948 - Soviet Russia began a blockade of Berlin. The airlift continued until September 30th.

June 25, 1876 - General George A. Custer, leading 250 men were then attacked by 2000-4000 Indian braves. Only one scout and a single horse survived 'Custer's Last Stand' on the Little Bighorn Battlefield.

June 25, 1950 - The Korean War began as North Korean troops, led by Russian-built tanks, crossed the 38th parallel and launched a full scale invasion of South Korea.

June 28, 1914 - Archduke Francis Ferdinand, Crown Prince of Austria and his wife were assassinated at Sarajevo, touching off a conflict between the Austro-Hungarian government and Serbia that escalated into World War I.

June 28, 1919 - The signing of the Treaty of Versailles formally ended World War I.

"It is nobler to serve than to be served"

The Berlin Airlift

On June 24, 1948, Soviet forces blockaded all road, rail and water routes into Berlin's Allied-controlled areas, stifling the vital flow of food, coal and other supplies. Soviet troop numbers dwarfed those of the Allies, which had drawn down after the war, so there was little the Allies could do about it militarily.

But the Soviets couldn't block Allied airspace, so U.S. and UK forces took to the skies to get supplies to the Allied sectors. On June 26, the U.S. launched Operation Vittles, which the U.K. later joined. It was the biggest aerial resupply mission ever embarked upon. The Allies also imposed their own counter-blockade, restricting trade with East Germany and East Berlin.

The airlift was a daunting task at first. More than 2 million Berliners were relying on the aid, which included much-needed food, fuel and medicine. Over time, though, it became more efficient, and the number of airdrops increased. At one point, Air Force and Navy planes were landing at Tempelhof Airport every 45 seconds.

On Easter Sunday, April 17, 1949, the constant procession of planes managed to deliver 13,000 tons of cargo, including the equivalent of 600 railroad cars of coal – all in one day!

Things weren't going well for the Soviets. The airlift had been going on for 10 months, and the Allies had proven they could keep it up indefinitely. The Russians had gained a

reputation as bullies because of their blockade. On top of that, an Allied counter-blockade was causing severe shortages in the Russian sectors, leading to fears of an uprising.

The Soviet Union gave in and lifted the blockade on May 11, 1949; however, the airlift itself didn't end until Sept. 30, just in case the Soviets decided to change their minds.

During the entire airlift, the U.S. and U.K. delivered more than 2.3 million tons of food, fuel and supplies to West Berlin via more than 278,000 airdrops. American aircrews made more than 189,000 flights, totaling nearly 600,000 flying hours and exceeding 92 million miles.

The airlift demonstrated America's innovative spirit, efficiency, perseverance and leadership. It also highlighted the value of cooperation and the need to have allies to accomplish tasks that one country simply can't do alone.

While that crisis ended peacefully, the ideological division of Europe had just begun. By the end of the blockade, the North Atlantic Treaty Organization had been established, partially in response to Soviet aggression. A few weeks later, East and West Berlin officially separated, with each becoming a symbol of their respective political views — democracy and freedom in the West versus communism in the East.

A National Security Program Book Discussion

Wednesday, June 1, 2022, 7:30AM

Prestonwood Creek CC / 15909 Preston Rd, Dallas, TX

Moderated by Bob Epstein & Sponsored by the North Texas Chapter of the Military Order of the World Wars

In spring 2011, Syrian President Bashar al-Assad turned to his friend and army commander, Manaf Tlass, for advice about how to respond to Arab Spring-inspired protests. Tlass pushed for conciliation but Assad decided to crush the uprising -- an act which would catapult the country into an eight-year long war, killing almost half a million and fueling terrorism and a global refugee crisis.

Assad or We Burn the Country examines Syria's tragedy through the generational saga of the Assad and Tlass families, once deeply intertwined and now estranged in Bashar's bloody quest to preserve his father's inheritance. By drawing on his own reporting experience in Damascus and exclusive interviews with Tlass, Sam Dagher takes readers within palace walls to reveal the family behind the destruction of Syria and the chaos of an entire region. Sam Dagher shows how one of the world's most vicious police states came to be and explains how a regional conflict extended globally, engulfing the Middle East and pitting the United States and Russia against one another. Timely, propulsive, and expertly reported, *Assad or We Burn the Country* is the definitive account of this global crisis, going far beyond the news story that has dominated headlines for years.

The Military Order of the World Wars

The Military Order of the World Wars (MOWW) is the premier Veterans Service Organization (VSO) whose motto is, "It is nobler to serve than to be served." MOWW was founded at the suggestion of General of the Armies John J. "Blackjack" Pershing 1919 to promote good citizenship, patriotic education, and military and public service. The purpose of our Order is found in the 9 tenets described in our Preamble.

MOWW chapters provide opportunities to support veterans of all ranks and service, youth patriotic education, college ROTC and high school JROTC, Scouting, monuments and memorials, law and order, national and homeland security programs, and inculcate and stimulate love of our country and flag.

If you qualify, we want you serving alongside us. Eligibility is open to active duty, retired and former commissioned or warrant officers of the uniformed services of the United States: U.S. Army, U.S. Navy, U.S.

Marine Corps, U.S. Coast Guard, U.S. Air Force, and U.S. Space Force. It also includes the United States Public Health Service (USPHS), and the National Oceanographic and Atmospheric Administration (NOAA). Family members who are directly related to eligible officers within two degrees of consanguinity (i.e., spouse, son/stepson, daughter/step-

daughter, grandson and/or granddaughter) are also eligible as Hereditary Members.

The motto of MOWW is "It is Nobler to Serve than be Served." This

sums up the commitment of MOWW to our Veterans, families, youth, and our country. If you want to continue to serve our nation in a meaningful and impactful way, consider joining our Order.

If you have any questions about MOWW, or want to locate a chapter near you, please go to the "Find a Chapter" section on our Website Homepage Address : www.northtexasmoww.org.
