Since 1919

Companions, I want to wish each of you a very happy fourth of July / Independence day. I believe it to be critically important as a nation that we reflect on this important event — the creation of our Great Republic through its Declaration of Independence from Tyranny. If nothing else, I ask that you remember these words: *“We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness—That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles, and organizing its Powers in such Form, as to them shall seem most likely to effect their Safety and Happiness “*

ROTC recognition awards/medal; we have developed a solid and informative monthly Newsletter and Website; we have established a recurring National Security Program series; we have provided recognition awards to the Boy Scout Eagle Scout Program and Local First Responder community; We provided and physically laid 300 wreaths at DFW National Cemetery supporting the Wreaths Across America Program; we have recognized our companion's for their achievements. Our Chapter should be proud of these achievements—you all have been instrumental in making this a GREAT Chapter!

Our Chapter's Operational Year 2021-2022 is now over and what a year it was. Over the past year we have grown from a small chapter to a medium chapter; we have sponsored and funded 21 High School students to attend the 2021 Youth Leadership Conference and are on track to significantly exceed sponsorship for 2022; we have provided 26 Senior and Junior

At our upcoming July Chapter meeting, we will have the North Texas Patriotic Anglers leadership (<https://www.patriotanglers.org>) joining us for lunch to talk about their program, its needs , and how we can support them. Through one-on-one guided fly-fishing outings, they attempt to increase veterans well-being, renew their sense of camaraderie, and enhance their desire to move forward with their healing process.

Companions, please feel free to share your ideas with our leadership on how we can continue to grow our programs supporting youth, community, and veterans.

Very Respectfully,

Jacques Loraine, Commander

Message from the Vice Commander

MG Gary Bunch USA (Ret)

If you missed last month's meeting at the Bavarian Grill, and most of you did; you missed a very frank discussion of where the Military Order of the World Wars is almost a hundred and three years after its establishment and what the North Texas Chapter's mission could be for "the good of the Order."

Every member of this Chapter has been a leader in uniform, and most have led in a civilian capacity as well. We all know what it takes to drive an organization to success. It starts with a vision and a well-defined mission. We all need to be a part of shaping that vision and defining that mission and not leave it up to the Chapter Commander, since we may not agree with his vision. We all need our voices heard and have buy in to our programs.

What was your reason for joining the organization? Was it a youth program? Was it Veteran support? Was it the unique camaraderie derived from shared service experiences? Whatever the reason, it is time

to put your efforts and passion to work to make our Chapter productive for students, Veterans, etc. while enjoying the company of good Soldiers, Sailors, Marines, Airmen, Coasties, and Guardians. Although, candidly, many of you may never meet a Guardian.

Together we can craft a vision not driven from the top down, by our national headquarters, but a vision of what's possible and impactful locally. Together we can define a mission set that isn't so ambitious we could never accomplish it, but one that with everyone's input, guidance, and commitment, we could do great things for the Order in our sphere of influence.

The Chapter covers a lot of ground. North Texas is a big area, but for the first time since I joined in 2013, we have a geographical agreement in principle of where the Chapter will operate and how it will operate with our neighboring Chapters. This will impact where we recruit, who benefits from our programs, and define to a specific community who we are. We should then be able to describe the benefits of our programs to that community and in turn, solicit funds from "our" community to improve and expand our programs. Thank you, for your initiative that accomplished this, Jacques.

Now it is time to do real work that will live up to the motto of the Order and "Serve Others." We can only accomplish this with your support. Come be a part of a truly outstanding Chapter and help us do good work in North Texas.

US Independence Day

Independence Day is a federal holiday in the United States commemorating the Declaration of Independence, which was ratified by the Second Continental Congress on July 4, 1776. The

Second Continental Congress declared that the Thirteen Colonies were no longer subject (and subordinate) to the monarch of Britain, King George III, and were now united, free, and independent states.

The Continental Congress voted on July 2, 1776 to approve independence and adopted the Declaration of Independence two days later, on July 4.

Independence Day is commonly associated with fireworks, parades, barbecues, carnivals, fairs, picnics, concerts, baseball games, family reunions, political speeches, and ceremonies, in addition to various other public and private events celebrating the history, government, and traditions of the United States. Independence Day is the national day of the United States

During the American Revolution, the legal separation of the thirteen colonies from Great Britain in 1776 actually occurred on July 2, when the Second Continental Congress voted to approve a resolution of independence that had been proposed in June by Richard Henry Lee of Virginia declaring the United States independent from Great Britain's rule. After voting for independence, Congress turned its attention to the Declaration of Independence, a statement explaining this decision, which had

been prepared by a Committee of Five, with Thomas Jefferson as its principal author. The Congress debated and revised the wording of the Declaration to remove its vigorous denunciation of the slave trade, finally approving it two days later on July 4. Historians have long disputed whether members of Congress signed the Declaration of Independence on July 4, even though Thomas Jefferson, John Adams, and Benjamin Franklin all later wrote that they had signed it on that day. Most historians have concluded that the Declaration was signed nearly a month after its adoption, on August 2, 1776, and not on July 4 as is commonly believed.

By a remarkable coincidence, Thomas Jefferson and John Adams, the only two signatories of the Declaration of Independence later to serve as presidents of the United States, both died on the same day: July 4, 1826, which was the 50th anniversary of the Declaration, Jefferson even mentioning the fact. Although not a signatory of the Declaration of Independence, James Monroe, another Founding Father who was elected president, also died on July 4, 1831, making him the third President who died on the anniversary of independence. The only U.S. president to have been born on Independence Day was Calvin Coolidge, who was born on July 4, 1872.

The Military Order of the World Wars

The Military Order of the World Wars (MOWW) is the premier Veterans Service Organization (VSO) whose motto is, "It is nobler to serve than to be served." The purpose of our Order is found in the 9 tenets described in our Preamble.

MOWW chapters provide opportunities to support veterans of all ranks and service, youth patriotic education, college ROTC and high school JROTC, Scouting, monuments and memorials, law and order, national and homeland security programs, and inculcate and stimulate love of our country and flag.
