Since 1919

Companions,

At the upcoming June 20th we will be inducting and swearing in the new North Texas Chapter leadership team. The new leadership team is: Commander—MG Gary Bunch USA (ret), Vice Commander—COL Mark Kipphut USAF (ret), Adjutant—CWO5 Quint Avenetti USMC (ret), Treasurer—Capt Keith Barrett USAF (fmr) and Chaplain—LtCol Bob Welch USA (ret). Additionally, CDR Mike Malone USN (ret) has volunteered to be Assistant Adjutant and LtCol Mike Giles USAFR (ret) has volunteered to be Assistant Treasurer. This is an amazing team of exceptional companions who serve our Chapter well. I ask each companion for your maximum attendance at this important event!

I want each of you know that it has been an honor and privilege to have served as your commander for the past several years. I thank you for your confidence, mentoring and support. I look forward to continuing to serve the North Texas Chapter as the ROTC/JROTC Coordinator and Newsletter Editor. The success of the Chapter is a direct result of each of you supporting and participating in its programs and operations. I ask that you make the same commitment for

our Chapter's new leadership team.

Great News! It appears that we have exceeded our goal of sending 30 students to the upcoming Youth Leadership Conferences. Kudo's to COL Mark Kipphut USAF (ret) for amazing leadership in making this happen. To date, we have 35 of 40 students fully registered. I ask that each member strongly consider sponsoring/funding a student. (or two) as this will help give us a bit of a financial cushion as we move into our new operating year in July.

As your new MOWW Region VIII Commander, I ask each of you to reflect on the Preamble of the Order as this is the focus of our Order and what will ensure we are relevant into the future. We are a great Region comprised of many very talented Companions, and we can accomplish anything we set our minds to. Balancing the things we need to do with increasing morale and individual involvement supports the "Good of the Order." Together, our Chapters will continue to mature their programs and leverage their success for the benefit of our youth, communities and Nation.

Very Respectfully,

Jacques Loraine, Commander

Incoming Commander's Message

Companions,

I want to thank Jacques Loraine for his outstanding service to the Chapter over the last two plus years. He stepped in when our previous Commander was unable to continue to serve and with the help of the Chapter membership took the North Texas Chapter from being the next Chapter on the list to be closed, to being one of the best Chapters in Region VIII. For his service, he was awarded the Gold Patrick Henry award at the Region VIII Conference by VCINC Deborah Dombeck. Well done, Jacques!

We had a good showing for our May Chapter meeting. The big item on the agenda was the nomination and election of Officers for the Chapter for the 2023 – 2024 operating year. I want to thank you for your confidence in my ability to lead the North Texas Chapter in the coming year as its Commander. I have big shoes to fill and can only hope to fill them with your support.

I also want to express my gratitude for the Companions who have committed to serve the Chapter next year with me. It takes a group effort to make a Chapter successful. The following Officers were nominated and elected:

- **Commander** – Gary Bunch
- **Sr. Vice Commander** – Mark Kipphut
- **Adjutant** – Quint Avenetti
- **Assistant Adjutant** – Mike Malone
- **Treasurer** – Keith Barrett
- **Assistant Treasurer** – Mike Giles
- **Chaplain** – Bob Welch

A Chapter is only as good as its membership and their willingness to support the Chapter's goals and objectives. We have a tremendous core membership who has shown their willingness to make the Chapter great. It is my hope that we can reach some of our current Companions who haven't been coming and encourage them to participate more. Lastly, we need to continue our efforts to inspire new potential Companions with the results of our programs and encourage them to join us. I look forward to a great year! Thank you.

Vice Commander's YLC Message

COL Mark Kipphut USAF (Ret)

With the end of the school year, I am very happy to report our Chapter has far exceeded our commitment to Region VIII in support of 2023 Youth Leadership Conferences. As our chapter's flagship programs, our goal was to sponsor 30 students, however as of the end of May we have nominated 40 students from nine high schools (five different school districts) plus one homeschooler. Of these 35 are fully registered and with three more in process. Furthermore, three of our Chapter members have kindly donated the funding to cover the ten extra students. I want to thank each of the companions who have helped identify, select, and fund students. Together we are making a difference in advancing the Patriotic Education.

Recently reflected on my experience last year at the Texas A&M Youth Leadership Conference where I have the honor to be one speaker for Major General Bunch and experienced firsthand the importance and impact of YLC.

It was a beautiful day at Texas A&M, including lunch with conference leadership, volunteer counselors and students. After lunch I had the honor to lead a seminar in a lecture hall filled with an amazing cross-section of high school students from across the Great State of Texas, including several the North Texas Chapter recruited and sponsored. Each was eager to learn and focused on finding their own voices.

Each year General Bunch asks me to follow lectures on "American Exceptionalism and Free Markets." I have the privilege of helping the students "connect the dots" about the history of our nation. How our Found Fathers created a political system, society and economic system that creates a vast array of opportunity for each American. More importantly how each of us owns our destiny. My message to them is they can achieve their own greatness; they create their own story.

We talk about the chapters in my own life story -- from growing up in the inner city in Philadelphia, to my military service, followed by my experiences in corporate America and how I now work to help businesses and volunteer organizations accomplish their goals. We talk about the uniqueness of be able to live free in a society with the ability to come together voluntarily to solve lems, big and small in a civic culture – it is one aspect of our "American way of life." We talk about a citizen's "rights and responsibilities."

I challenge them to think about the questions they need to be asking themselves, those around them and our nation so we can maintain a civil society committed to democratic principles and the core values of our nation as expressed in Declaration of Independence, the Constitution, and the Bill of Rights. This year's class, as with those over the past five years, leaves me both encouraged and convinced that America remains exceptional in many aspects and in our youth, we see the promise of a greater tomorrow. I encourage every MOWW Companion to find a way play a part in our Youth Leadership Conference program. Recruit students, find ways to financially support the program, or simply lend a hand to one of the YLC Directors. I know the 90 minutes I spend this year with the students at Texas A&M YLC is a enriching moment in my life that I look forward to each year.

Chaplain's Corner

“See! The winter is past; the rains are over and gone. Flowers appear on the earth; the season of singing has come; the cooing of doves is heard in our land. The fig tree forms its early fruit; the blossoming vines spread their fragrance. Arise, come, my darling; my beautiful one, come with me.” Song of Solomon 2:11-13

Welcome to summer in the Great State of Texas! As we all know, Texas has some of the most peculiar weather in the US. One minute it is sunny with bright skies and beautiful clouds and in about ten minutes you can be running for cover as the darkened sky unleashes a torrent of rain and hurricane gusts of wind. If you're really lucky, you miss the hail and tornadoes. Not to mention the days of temperatures reaching the three digits!

So yes, the Good Lord brings us unusual weather but what else do these weather patterns bring us? It brings new life to a barren, cold and desolate earth. As the spring rain falls, nourishing moisture reenergizes the ground allowing the dormant seeds and trees to regenerate and grow into a beautiful life size painting to renew our souls. What native Texan does not love to see a field of bluebonnets and Indian paintbrush blooming.

“And why do you worry about clothes? See how the flowers of the field grow. They do not labor or spin. Yet I tell you that not even Solomon in all his splendor was dressed like one of these.” Matthew 6:28-29

Granted the hot summer days shrivel the ground and browns the grass but even with the hot, dry temperatures, we can enjoy the shade and breezes that gently cool the air; or we can move indoors to the AC!

“Let us acknowledge the Lord; let us press on to acknowledge him. As surely as the sun rises, he will appear; he will come to us like the winter rains, like the spring rains that water the earth.” Hosea 6:3

"It is nobler to serve than to be served"

D-Day June 6, 1944

D-Day was the name given to the June 6, 1944, invasion of the beaches at Normandy in northern France by troops from the United States, Canada, the United Kingdom and other countries during World War II. France at the

time was occupied by the armies of Nazi Germany, and the amphibious assault—codenamed Operation Overlord—landed some 156,000 Allied soldiers on the beaches of Normandy by the end of the day. Despite their success, some 4,000 Allied troops were killed by German soldiers defending the beaches. At the time, the D-Day invasion was the largest naval, air and land operation in history, and within a few days about 326,000 troops, more than 50,000 vehicles and some 100,000 tons of equipment had landed. By August 1944, all of northern France had been liberated, and in spring of 1945 the Allies had defeated the Germans. Historians often refer to D-Day as the beginning of the end of World War II.

By dawn on June 6, thousands of paratroopers and glider troops were already on the ground behind enemy lines, securing bridges and exit roads. The amphibious invasions

began at 6:30 a.m. The British and Canadians overcame light opposition to capture beaches codenamed Gold, Juno and Sword, as did the Americans at Utah Beach. U.S. forces faced heavy resistance at Omaha Beach, where there

were over 2,000 American casualties. However, by day's end, approximately 156,000 Allied troops had successfully stormed Normandy's beaches. According to some estimates, more than 4,000 Allied troops lost their lives in the D-Day invasion, with thousands more wounded or missing.

Less than a week later, on June 11, the beaches were fully secured and over 326,000 troops, more than 50,000

vehicles and some 100,000 tons of equipment had landed at Normandy.

For their part, the Germans suffered from confusion in the ranks and the absence of celebrated commander Rommel, who was away on leave. At first, Hitler, believing the invasion was a feint designed to distract the Germans from a coming attack north of the Seine River, refused to release nearby divisions to join the counterattack. Reinforcements had to be called from further afield, causing delays. He also hesitated in calling for armored divisions to help in the defense. Moreover, the Germans were hampered by effective Allied air support, which took out many key bridges and forced the Germans to take long detours, as well as efficient Allied naval support, which helped protect advancing Allied troops.

In the ensuing weeks, the Allies fought their way across the Normandy countryside in the face of determined German resistance, as well as a dense landscape of marshes and hedgerows. By the end of June, the Allies had seized the vital port of Cherbourg, landed approximately 850,000 men and 150,000 vehicles in Normandy, and were poised to continue their march across France.

By the end of August 1944, the Allies had reached the Seine River, Paris was liberated and the Germans had been removed from northwestern France, effectively concluding the Battle of Normandy. The Allied forces then prepared to enter Germany, where they would meet up with Soviet troops moving in from the east.

The Normandy invasion began to turn the tide against the Nazis. A significant psychological blow, it also prevented Hitler from sending troops from France to build up his Eastern Front against the advancing Soviets. The following spring, on May 8, 1945, the Allies formally accepted the unconditional surrender of Nazi Germany. Hitler had committed suicide a week earlier, on April 30.

Southern Border Perspective: Policy, Law Enforcement, Military

The border between the United States and Mexico has been a flash point for years and is a particular issue for border states like Texas where the impacts of the immigrant flow are obvious. This program will feature speakers who have been intimately involved with the situation on the border, from legislation and policy, law enforcement and military perspectives. While this issue is politically charged, we'll try to have a non-political, non-partisan discussion, exploring facts and solutions rather than assessing blame. The discussion will be moderated by Congressman Self.

Congressman Keith Self

TX 3rd District

Congressman Self is a West Point graduate and a 25-year veteran of the US Army. He served for 11 years as the Collin County judge and last year was elected as the US Congress as representative from the Texas 3rd Congressional District. He serves on the Committees on Foreign Affairs and Veterans Affairs.

Sheriff Jim Skinner

Collin County Sheriff

Sheriff Jim Skinner has served one of Texas's fastest growing counties since 2017 and is nationally recognized for his leadership in a number important law enforcement areas, including combatting human and drug trafficking and child exploitation. His career in law enforcement has spanned 32 years and he served for eight years in the US Air Force

Brigadier General Matt Barker

Commander, Joint Task Force Lone Star

General Barker is the Commander of Joint Task Force Lone Star, activated in 2021 by Governor Abbott to assist the Texas Department of Public Safety in their mission to provide security along the Texas-Mexico border. He previously served as the Chief of Staff, Texas Air National Guard and in his 31-year career has served in the United States and Europe in a variety of command staff positions.

The Military Order of the World Wars

The Military Order of the World Wars (MOWW) is the premier Veterans Service Organization (VSO) whose motto is, "It is nobler to serve than to be served." MOWW was founded at the suggestion of General of the Armies John J. "Blackjack" Pershing 1919 to promote good citizenship, patriotic education, and military and public service. The purpose of our Order is found in the 9 tenets described in our Preamble.

MOWW chapters provide opportunities to support veterans of all ranks and service, youth patriotic education, college ROTC and high school JROTC, Scouting, monuments and memorials, law and order, national and homeland security programs, and inculcate and stimulate love of our country and flag.

If you qualify, we want you serving alongside us. Eligibility is open to active duty, retired and former commissioned or warrant officers of the uniformed services of the United States: U.S. Army, U.S. Navy, U.S.

Marine Corps, U.S. Coast Guard, U.S. Air Force, and U.S. Space Force. It also includes the United States Public Health Service (USPHS), and the National Oceanographic and Atmospheric Administration (NOAA). Family members who are directly related to eligible officers within two degrees of consanguinity (i.e., spouse, son/stepson, daughter/step-

daughter, grandson and/or granddaughter) are also eligible as Hereditary Members.

The motto of MOWW is "It is Nobler to Serve than be Served." This sums up the commitment of MOWW to our Veterans, families, youth, and our country. If you want to continue to serve our nation in a meaningful and impactful way, consider joining our Order.
